DLSEI 3.0 Cohort - 2 – Webinar (FAQs)

Q: What is the Eligibility Criteria?
A: Active Students, Faculty, and Staff of public and private sector universities.

Q: Can Cohort 1 learners apply for Cohort 2?
A: Cohort 1 learners are not eligible to apply for Cohort 2.

Q: Can DLSEI Phase 2 learners apply for Cohort 2?
A: DLSEI Phase 2 learners are eligible to apply for Cohort 2.

Q: How many Courses will there be in Coursera Catalog?
A: There will be more than 13,000+ Courses.

Q: Will the Registration Opening posts be shared?
A: The Registration Opening posts will be shared on Social Media and Whatsapp groups.

Q: When will the Registration Open?
A: The Registration will open after an official announcement by HEC.

Q: Will the marketing kit for DLSEI 3.0 C2 be shared with Focal Persons?
A: A marketing kit will be provided to the Focal Persons in this file.

Q: What are the revocation policies?
A: **Policy 1:**
Learners must accept the Coursera license invitation and enroll in at least one course within 15 days of receiving it. Failure to do so will result in license revocation.

Policy 2:
Learners must complete at least one individual course within 30 days of receiving the license invitation to retain access.

Failure to comply with either of the above policies may result in the cancellation of the license.

Q: What changes have been made to the Admin portal?
A:
1. Focal persons can approve multiple applicants simultaneously.
2. Comments section for approved applicants removed.
3. Evidence doc will not be downloaded.

4. Submitted applicants will appear at the top of the list to avoid the need for searching.
5. The session will retain the current page after an action is taken. For example, if a focal person is working on page 2 and verifies an application, the site will remain on page 2, not return to page 1.
6. Additionally, when a filter is applied via search, the session will retain the applied filter even after verifying an applicant.
7. Portal speed optimized.

How to verify applicants and How students/faculty will apply tutorial videos will be shared soon.
